EXTRA- New Pavement Ahead (excuse for a vacation ?)

The City is having trouble fixing the lousy roads but thanks to all Co-owners and our additional assessment the Association has the funds available so we can finally replace our failing pavement. Unfortunately this will involve a few weeks of inconvenience for us all as the contractors are at work. **Work is scheduled to start this coming Monday, July 14th**, (weather permitting) Phase#1 will be repair and replacement of concrete curbing that will primarily impact co-owners at: bldgs #2 (**516, 518, 520, 522, 524**) & **526** + #4 (**540, 542, 544, 546, 548**) & **550 & 506 & 528**

New curbing will be poured at the entrance of their driveways which means that those **drives can not be used for 7 days** after the concrete is poured !

If your home is listed above, and you will be in town from the 13-22-23rd and will need your vehicle(s) it/they will need to be parked on Galen Circle for that period starting at 7:00am on the 14th.

If your home is not listed above, we'd like to ask you to let one of the Board members know if you will have available space in your driveway that could be used by one of your displaced neighbors. Let us know even if you will only have available space for a few days so we can find places for the displaced vehicles. **Everyone** should **also not park by any area that has been marked with pink paint** as work will be done there on the 14th and 15th.

Phase#2, Asphalt replacement will be done in two sessions to reduce the inconvenience of not having direct access to our homes. A second Newsletter Extra will be circulated as that schedule is finalized. (Tentative dates are 7/23-30th)
