EXTRA- Painters Coming

It looks like Spring is sneaking into Michigan and the construction detours are back to test our driving manners. Our painters, Professional Touch, are ready to get started and plan to start on Buildings #3 and #9 the **first week of May** (weather permitting). They will power wash first, and follow with caulking and painting. *Rotted wood replacement, and Deck repair and staining will be done by Sharpe Construction during May on Buildings #3 and #9 as well. Decks should be kept clear of furniture, grills, etc until stained.*

Those buildings are: **#3 - 526, 528, 530, 532, 534, 536** and

#9 - 525, 527, 529, 531, 533, 535

The last two buildings on Galen (#1 and #2) are scheduled to be painted in 2016 and the two on Sumark, (#7 and #11) are scheduled for next year.

ROADS

The Board is also reviewing bids for concrete repair and asphalt replacement. Stay tuned for word on when those contractors will be in the community.

Additional Assessments: Have you sent your's ??
